Old Dr. James' Medlelne—the Extract of Cannabis Indica preparations that perform the cures which the inventor promises, in cases of Consumption, Bronchitis, Asthma, Liver Complaint, Neuralgia, Coughs, Colds, Sore Throat, Nervous Excitement, and General Debitity. Since he extablished the agency at 35t Washington St., Boston, there is not a person who has taken the medicine but who has been relieved; while hundreds who have been given up by physicians as past recovery, have been restored to health. We can show certificates substantiating the above. We have one from Rev. Norris Day of Boston. We are also permitted to refer to Mr. Silas Allen, 572 Tremont Street. We would also request an attentive permsal of the following testimony of Mr. Hallet, formerly of the firm of Hallet & Ladd, plano-forte makers, Boston.

Du. H. Jaurs.—Dear Sir: Beineving that my experience and knowledge of the beneficial effect of your Cannabig Indica may be the means of inducing others to use it. I wis state the following facts in regard to my wife. She was aftacked with Bronchitis, in connection with aggravated symptoms of Consumption—cough, raising blood night sweats and loss of voice. Her physician was hopeless, as well as herself. Without any faith (as she states) in the medicine, she was induced by a gentleman of Wernertee. medicine, she was induced by a gentleman of Worcester to try it. In less than two weeks she was greatly benefitted -and is now, after taking a few bottles, entirely re-overed.

I would also state that, owing to her almost miraculous cure, about twenty have used it, and been cure of greatly benefitted.

Yours truly.

BURNETT'S COCOAINE! A PERFECT DRESSING FOR THE HAIR. The Cocoaine holds, in a liquid form, a large proportion of deodorized COCOA NUT OIL, prepared expressly for this purpose.

No other compound possesses the peculiar properties which so exactly suit the various conditions of the human hair. It softens the bair when hard and dry. It soothes the irritated scalp skin. It affords the richest lustre. It remains longest in effect. It is the best and cheapest Hair Dressing in the World.

Marsden, speaking of the people of Sumatra, says - "Their hair is strong and of a shining black, the improvement of both which qualities it probably owes in a great measure to the constant use of Cocoa Nut Oil."- | Marsden, p. 49. TESTINONIAL.

Boston, July 16th 1957 Measrs. J. Burnett & Co.:-I cannot refuse to state the salutary effect in my own aggravated case, of your excellent Hair Oil-(Ceccaine.)

For many months my hair had been falling off, until I was learful of losing it entirely. The skin upon my head became gradually filore and more inflamed, so that I could not touch it without pain. This irritated condition I attributed to the use of various advertise thair washes, which I have since been told contained camphene spirit.

By the advice of my physician, to whom you had shown your process of purifying the Cocoa Nut Oil, I commenced Its use the last trek in June. The first application allayed the litching and irritation; in three or four days the redness and tenderness disappeared; the hair ceased to fall, This Oil, as we prepare it, is deprived of its resinous and disagreeable qualities. It is agreeably performed, and one of the most pleasant and efficacious in use for the growth and preservation of the Hair. For dressing the Hair, and and I have now a thick growth of new hair.
